

LAYTON – SOUTH MAIN, GENTILE STREET, WEST LAYTON

YOU ARE INVITED!

Your community leaders need to hear your opinion and thoughts regarding the alternatives that have passed through the screening process and are being proposed for further study.

OPEN HOUSE

PUBLIC MEETING #3

Layton Interchange Environmental Impact Statement (EIS)

Wednesday, August 1, 2007

5:30-8:00PM

LAYTON ELEMENTARY SCHOOL

369 Gentile Street, Layton

There will not be a formal presentation. Please stop by anytime between 5:30 and 8:00 to view the displays and visit with the project team members. (If you are unable to attend the open house, you can still submit comments via email, letter, or through the project website.)

LAYTON INTERCHANGE EIS

PROJECT BACKGROUND

The transportation needs for the Layton Interchange (Exit 330) and access to west Layton is being determined in an Environmental Impact Study.

Public Meetings have been held on May 24, 2006 and September 25, 2006 to get public input on the purpose and need for the project and to identify the environmental factors of most concern to the public.

PURPOSE AND NEED

The purpose and needs for the project area are as follows:

- Address current and project traffic demand and operations for the South Layton Interchange (I-15 Exit 330)
- Provide grade-separated transportation access across the Union Pacific Railroad to the developing area of west Layton
- Provide adequate transportation facilities and traffic capacity west of I-15 to relieve existing and projected traffic congestion by providing level of service D on Gentile Street

WHAT CAN I EXPECT AT THE OPEN HOUSE?

The Open House on August 1, 2007 will serve two purposes – to provide information to you and to get information from you. You will:

- View a brief audio/visual presentation to summarize the project status
- View results of the screening process of the proposed alternatives
- Express your concerns or expectations to project team members
- Use a questionnaire to provide your thoughts and ideas about the project

IF YOU WANT TO INFLUENCE THE TRANSPORTATION DECISIONS FOR THIS AREA OF LAYTON, THIS OPEN HOUSE IS FOR YOU!
